What frontier labs shipped this period, and what it means for the fund's positions. Every claim below is quoted from the lab's own publication and linked to it.

Nothing to report for this period

No event inside the last 7 days survived the slate rules. That is a statement about the period, not a failure — the ledger below says where every scored event went.

Suppressed by the slate rules — 839 no mechanism, 42 thin quote, 40 outside window, 16 no holding link, 14 not entailed, 3 undated.

Widen the period with --days 30 to see the standing picture rather than the week's news.
